2500
series

2500 Series / 2" thick / R-7.45 available

Exceptional Value.

The 2500 Series is an attractive garage door line that combines the strength and durability of 25 gauge galvanized steel with the handsome appearance of natural wood grain. Built economically without sacrificing quality, the 2500 Series is an unmistakable value that will complement the appearance of any home.

The 2500 residential garage door series is engineered to offer beauty, practicality and affordability. An upgrade to energy efficient insulation is also available with the 2560L, 2570L and 2580L models. As always, our doors are backed by a Limited Lifetime Warranty against rust through, warping or cracking.

2580 in white with cascade windows

Tongue-and-groove construction is used in the manufacturing of all 2500 series doors. The door shown includes optional polystyrene insulation panel. (exterior cross section view)
